PROFIT WARNING

This announcement is made by Sandmartin International Holdings Limited (the “**Company**” and together with its subsidiaries, collectively the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company and potential investors that after preliminary review by the Company’s management of the unaudited consolidated management accounts of the Group, the Group is expected to record an increase of approximately 80% in its consolidated net loss for the year ended 31 December 2018 when comparing with the corresponding period in 2017.

The increase in consolidated net loss for the year ended 31 December 2018 is primarily attributable to (i) decrease in revenue and gross profit and the operational losses of the Group; and (ii) the impairment of goodwill of the Group relating to My HD Media FZ-LLC, a 51%-owned subsidiary of the Company (“**MyHD**”). The decrease in revenue is primarily due to the keen competition from other manufacturers in China for the media entertainment platform related products and the change of model of low noise blocking down converters (“**LNB**”) for one of the major customers in North America which led to the decrease in sales of LNBs during the year; while the decrease in gross profit was due to the increase in operational losses incurred by MyHD, as the subscription revenue of MyHD was much less than expected and was not able to cover the programming costs incurred for satellite TV broadcasting.

The Company is still in the process of finalizing the Group’s annual results for the year ended 31 December 2018. The information contained in this announcement is only based on the preliminary review of the Company’s management of the unaudited consolidated management accounts of the Group which have not been audited by the auditors of the Company, nor reviewed by the audit committee of the Company. The audited consolidated annual results of the Group for the year ended 31 December 2018 may be subject to further adjustment(s) and may be different from the information contained in this announcement. Details of the Group’s financial information will be published in the Company’s announcement of annual results for the year ended 31 December 2018, which is expected to be published before the end of March 2019.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
